

"Little" SENIOR MOMENTS to keep you posted.

Stay Home & Stay Healthy!

SOME OBSERVATIONS ON COVID-19.

- ◇ 2020 is a unique Leap Year. February had 29 days, 300 in March and 4 years in April.
- ◇ Wearing a mask in your house is now highly recommended. Not so much to prevent COVID-19, but to stop you eating.
- ◇ Kinda' starting to understand why pets like to rush outside when the door is opened..
- ◇ Is your car getting 3 weeks to the gallon? Mine is.
- ◇ It's like being 16 again....petrol is cheap and I'm grounded!
- ◇ All those grandparents who are missing their grandkids now—when this is over you can have them for a month.
- ◇ Let's not tell some people when the quarantine is over!

THE SENSUOUS WOMAN.....

"Have you ever seen fifty dollars all crumpled up?" the woman asked her husband..

"No," said her husband
She gave him a sexy little smile,
unbuttoned 2 or 3 buttons of her blouse,

slowly reached down into the cleavage created by the soft silky push-up bra, and pulled out a crumpled Fifty dollar note.

He took the crumpled fifty dollar note from her, smiling approvingly.

"Have you seen one hundred dollars all crumpled up?" she asked.

"No....no I haven't" he said, a bit of an anxious tone in his voice.

She gave him another sexy little smile, pulled up her skirt, and seductively reached into her tight little knickers. And pulled out a crumpled hundred dollar note. .

He took the crumpled hundred dollar note, and started to breath a little quicker..

"Now." she said, "Have you ever seen \$40,000 all crumpled up?"

"No, never," he said really excited by now.

"Well, go look in the garage."

Seems ages since this happened, but remember the week Denis and his Canteen crew put on Ice-Cream/Strawberries to raise funds for Drought Relief, well.....the sum of \$862.30 was sent to Coonabarabran CWA.

We received a letter of thanks from them and I'm sure you'll be delighted to know they are buying vouchers from local businesses. The vouchers will be distributed to local families. What a great idea, as all the money will be circulated in the local area, and rural residents and town businesses will benefit.

"Thanks" to Denis & Crew and "Thanks" to all who contributed.

A little bird tells me that one of our most dedicated volunteer MAVIS SENDALL, turns 90 on July 30th. Mavis has served the club well over quite a number of years as a member of the COM, in charge of the roster of Duty Officers on the front desk (and being very persuasive in getting new recruits), and currently is a keen Rummy-Kub player.

It's a shame we can't celebrate with her at the club, but "HAPPY BIRTHDAY" Mavis from all your Club friends .

Psst: Mavis lives in the Assisted Living section of Nareen Gardens, Bateau Bay, if you want to send a card.....

No matter how old a mother is, she watches her middle-aged children for signs of improvement. (Flora Maxwell)
I am 102 years of age. I have no worries since my youngest son went into an old folk's home. (Victoria Bedwell)

Children are a great comfort in your old age. They help you reach it faster too. (Lionel Kauffman)

"You must miss Prince Andrew, Ma'am, when he's away ion the Navy."

"Indeed I do. Especially because he is the only one in the family who knows how to work the video." (Visitor and Queen Elizabeth)
