

# “Little” SENIOR MOMENTS to keep you posted.

EDITION 17 4.1.2021

## HAPPY★NEW★YEAR

### Betty's Blog

Not a good start to 2021! Went to a COM meeting today to plan the opening of our club for 2021..... only to find that the latest COVID regulations had thrown us a few curved balls. And they caused us to put the opening date back -

to a date that is uncertain! The wearing of masks indoors has become mandatory.....if you choose not to wear a mask, you will be denied entry to the premises.

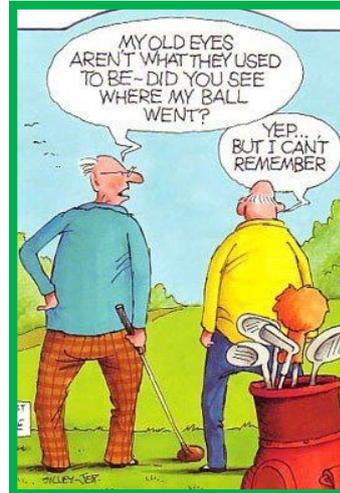

Because of new regulations regarding tracking records of members, the club will be purchasing a Barcode Machine to be used in conjunction with Membership Cards carrying a Barcode. This means that a new set of suitably embossed Membership Cards will have to be ordered. The information gathered everyday will now have to be converted to a spreadsheet containing data about each member who attends an activity, These documents will be held for 28days and can be requested by NSW Government authorities in the case of a COVID 'hotspot' developing on the Central Coast . The spreadsheets will be used to rack people who may be at risk. All documents held for the required time by the club, will then be shredded and disposed of.

After providing duty rosters for the COVID Marshal volunteers since October 2020, it has become obvious to me that the whole system could fall apart if we can't get a few more members to volunteer to train as a COVID Marshal. I've worked out a system where each CM volunteers a maximum of 2 sessions a fortnight (2x3 hour session either AM or PM). Please consider offering to help!

All my good intentions to swim several times a week have gone astray —lousy weather and too many kids/visitors. Now determined to get some swim time in when the kids got back to school and visitors have gone home! Have read a few good books, so happy about that, but thr rainy weather has made the weeds grow faster than I can pull them out. So, at the moment the score is Nature 3 — bettybee 0!

Last, but by no means least—the Club's AGM has been deferred to 25th March,2021.

**Don't forget your mask — “Bye for Now, bettybee**
