

# Little "SENIOR MOMENTS" to keep you posted.

EDITION 21 8.3.21

## Betty's Blog.

Card-reader is a great success—as a voice from the suitably 'social distanced' positioned Yoga group was heard to say, "Oh, it's so cool!" Yes, it certainly is, if I can only remember not to leave the card in my purse, in the car.....out of my 3 visits to the club over the past week, I've managed to have to return to the car and get it twice! Also tried twice to enter by the rear door instead of the electric door.....I'm getting very familiar with the walk around the building's front path to enter.

Great news too—I believe that the numbers allowed to attend the sessions is being increased and it's true that phone bookings are a thing of the past—did I hear more than a few "Hurrahs"?

The Thursday night Table-tennis is starting up soon now that someone has volunteered to be COVID Marshal for the session, and the "Rummikubbers" have enjoyed a return to playing in their new location in the Bowls Hall....they are a wandering group at the moment because of the removal of the tables and chairs, but we'll find them a permanent niche as regulations are lightened up.

With all the changes taking place it's easy to forget the most important meeting of the whole year.....the ANNUAL GENERAL MEETING. It's only a few weeks away, THURSDAY, 25TH MARCH beginning at 1.00pm. The future of the Club may be put in jeopardy if insufficient members attend. Please write the date down and come along on this date.

To get back my youth, I would do anything in the world, except take exercise, get up early, or be respectable. (Oscar Wilde)*

Whenever I get the urge to exercise, I lie-down until the feeling goes away. (Robert Hutchins)
